Coaching Fundamentals

Coaching Fundamentals

for product leaders and executives

Would you like to

- gain **more confidence** when coaching others?
- be a **more effective sparring partner** for your people?
- **build a culture of trust** and autonomy?
- **empower your employees** to make conscious decisions?

Then this program is exactly meant for you!

Coaching Fundamentals will help you feel more confident in your role as a product leader while also teaching you the principles of coaching in a condensed and hands-on format.

Coaching Fundamentals

Our Spring Edition 2023
in a nutshell

Why?

Improve your leadership skills by adopting a coaching habit. Boost your confidence as a product leader.
