LevelUp! Leadership

Edition 2024
in a nutshell

Why?

Get ready for your first leadership role and increase your chances to receive a promotion. Learn how to avoid the most common mistakes as Head of Product.

What?

Unique 4-months learning journey including:

- 2 weekend offsites and one remote workshop day
- inspiring prep material
- 4 mentoring and 2 coaching sessions 1:1

For whom?

Senior PMs and experienced product people aiming for a leadership position and Heads of Product who would like to improve their strategy and leadership skills. We especially encourage women to apply!

Where & When?

March 22 till June 30, 2024

- 2 weekend offsites in the mountains 1h from Bern (CH)
- one workshop day remote
- online mentoring & coaching sessions

How we learn matters.

A lot of time and energy goes into crafting our curriculum for this program. However, we invest the same amount of passion when it comes to designing the context of your learning experience.

That is why we are inviting you to spend two offsites in the mountains with us (one hour from Berne). The beautiful lodge offers the perfect setting to clear your head, to soak in new knowledge and to find some time for mindfulness in the nature with your new peers.

Strategy

March 22-24, 2024 (Mountain Offsite 1)

Our first offsite is dedicated to meeting your peers and diving into your product strategy. We are going to enjoy inspiring discussions, peer coaching and some mindfulness in the beautiful mountains.

- Product Strategy Maturity Check
- Executing your Product Strategy
- Economics 101 & Entrepreneurial Mindset

* Course date and program may be subject to change.

Product Ops

Online-Workshop on May 7, 2024

Half-way through the program, we are going to reflect on your learnings and exchange the best tips you got from your mentors and coaches so far.

Product Ops is one of the backbones of product-led growth. How can you set the product team up to foster team learning and collaborate without unnecessary friction? Antonia Landi, a product ops expert, will tell you more about what this role is about, when (not) to hire for it and which pitfalls to look out for.

* Course date and program may be subject to change.
